

24-27 August 2008  
Seoul, Korea

7th International  
Conference on  
**Sustainable  
Energy  
Technologies**

[www.set2008.org](http://www.set2008.org)

Dear Professor Florin Pop,

With your great speech and interest, the 7<sup>th</sup> International Conference on Sustainable Energy Technologies (SET2008) has been successfully finished.

We would like to express our appreciation to your participation as an invited speaker. We are assured that your speech undoubtedly attracted a great deal of interest and greatly contributed to make the conference successful.

It was a long way to travel and your attendance was much appreciated. We hope you found the conference relevant and informative, and had a great time in Seoul. According to the official figures we had more than 450 registered attendees representing from 32 nationalities.

We are proud to be given this opportunity for serving the international community and very happy to be acknowledged by you for satisfaction with the conference.

We hope that you have returned home safely with a pleasant memory of Korean culture and hospitality experienced during your stay in Seoul.

There might be an inconvenience that might caused on the conference, please understand it with your generosity.

Looking forward to seeing you during the next SET 2009, once again, we would like to express our deepest thanks to your support.

Best Regards,

Jeong Tai KIM *Ph.D*  
General Chair of SET2008  
Professor of Kyung Hee University  
President of KIEAE
