

KYUNG HEE UNIVERSITY

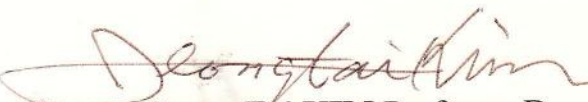

AWARD OF APPRECIATION

15th October, 2003

Florin POP Professor Dr.
Technical University of Cluj-Napoca, Romania

I would like to present the Award of Appreciation to you for your excellent presentations - **Recent Research Trends of Advanced Daylighting System, and Lighting in Eastern Europe: a Romanian Case Study** - at international seminar held on 15th October, 2003, hosted and organized by LAEL. And your valuable comments on our national research laboratory project are also cordially appreciated. Your contributions to the cooperation of two universities (Kyung Hee University, and Technical University of Cluj-Napoca) and the two institutions (Light & Architectural Environment Laboratory and Lighting Engineering Center) are highly acknowledged.

Director **Jeong Tai KIM** Professor Dr.
Light & Architectural Environment Laboratory (LAEL)
Department of Architectural Engineering
Kyung Hee University, Republic of Korea
